

ZENITH BANQUET FOR 2019

Here is everything you will need for the 2019 Zenith Builders Banquet! Our event will be held at the Oshkosh Elks Lodge, 175 West Fernau Ave, in Oshkosh, on Thursday, July 25th. A map is displayed below. We have very comfortable seating for over 250 people, our own private bar, and award winning food! The full bar will open at 5:30 PM for people that would like to come and relax early. Dinner starts at 7:00 PM. Tickets are available for \$20 per person at the door by cash or credit card. Banquet information is also available at the Zenith display. As always, bring your camera and get a picture of the special dessert! If you would like to park your camping vehicle at the Elks for any number of nights, please call me at 920-237-1450 or E-mail me at backstagelive@gmail.com to make motorhome and camper parking reservations.

Zenith showplane parking will not be available this year due to site changes. This is only a one year change and things will go back to normal next year. Because this is the 50th anniversary of EAA, the parking committee is using the spot we had for classic homebuilt parking and some warbirds. Next year we can once again have a designated spot just for us.

New location for Zenith Aircraft booth! The new Zenith aircraft booths will be located in the brand new North Aircraft Display area. And we have the two best booths on the site! (booth 601 & 611) Go to www.EAA.org/ AirVenture and get the new site map downloaded to you smart phone for easy access to the convention grounds.

Workshop Classroom C

The Elks Lodge is easy to find! If you are taking Highway 41 north, take the Highway 44 exit, which is the same as South Park Ave. If you are coming from the EAA, follow the flagman out of the grounds and turn right on South Park Ave. Follow South Park NE and turn left on Oregon St. Follow Oregon St. north to Fernau Ave. and turn right. The Elks Lodge is just 100 yards from the corner on the right hand side. There is ample free parking in both lots at the Elks. Large motor homes and campers that are not spending the night must park on the street.
